ABOUT ME

A motivated and detail-oriented individual with a strong interest in industrial automation and control systems. I have hands-on experience in troubleshooting industrial machines, maintaining PLCs and drivers, and working on projects such as robot power control and heater load monitoring systems. I am eager to learn, and capable of working both independently and in a team environment.

EDUCATION

SEMARANG STATE POLYTECHNIC

2023 - 2026

Electronics Engineering

MA SALAFIYAH KAJEN

2020-2023

Science major
